MILITARY INSTITUTE OF SCIENCE AND TECHNOLOGY (MIST)
INFORMATION BOOKLET

Introduction

1. Military Institute of Science and Technology (MIST) is a government run technological institute under Ministry of Defence. It was established in 1998. The essence underlying the foundation of the institute includes commitment to produce technologically advanced intellectual leaders and professionals with high moral and ethical values. MIST is also committed to provide comprehensive education and conduct research in diverse disciplines of science, engineering, technology and engineering management. MIST is located at Mirpur Cantonment on the north-western end of Dhaka city. At present 15% military and 85% civilian students are studying here. So far MIST received students from 11 (Eleven) friendly countries.

2. The institute sets out its academic curriculum as an affiliated body of the Bangladesh University of Professionals (BUP) to conduct undergraduate programs in Civil Engineering, Computer Science and Engineering, Electrical and Electronic Engineering, Mechanical Engineering, Aeronautical Engineering, Naval Architecture & Marine Engineering, Nuclear Science and Engineering, Environmental, Water Resources and Coastal Engineering, Biomedical Engineering, Industrial and Production Engineering, Petroleum & Mining Engineering, Architecture, Urban and Regional Planning, Mathematics and Data Science, and Chemistry and Nano Science. A student of MIST is registered with the affiliating university for a period of six (06) years, except for the Architecture program, which has a registration period of seven (07) years, and is required to comply with the terms and conditions set by the university.
